

We are excited about hosting the 27th Annual CCMA Conference this year. We hope that all of you will join us in Concord, on October 11th & 12th.

The **Crowne Plaza** Concord/Walnut Creek has given us an excellent room rate. We realize that budgets are tight in this economic climate, so we worked very hard to keep costs low. If you do not use the CCMA room reservation link provided on the registration form, please let the hotel staff know you are booking accommodations for the 2012 CCMA Conference. The conference will be hosting a light continental breakfast both mornings, and a catered lunch on Thursday. You do not want to miss our on-site social, Thursday evening.

We are tentatively planning on having presentations or classes on:

LAFCO Procedures

Going Paperless

Recording System and Title Company History and Development

Moving Towards a Common Parcel Land base Between the Assessor and Public Works

Property Location

Creating a Tax Map in ArcGIS

Tips, Tricks & Shortcuts

AH 215 Digital Development

Moderated Discussion before lunch on Thursday - What challenges are you facing?

If you are interested in giving a presentation or class, please give me a call.

For any Counties that have not already sent us a count of who can attend, we would like to hear from you. We would like to get an idea of how many people will be attending. You can contact me through a reply of this e-mail.

Please fill in your registration forms and return them, as soon as possible.

Feel free to contact me with any questions or concerns. We look forward to seeing everyone in October!

Jennifer Nunnally, 2012 CCMA President
