

# California Cadastral Mapping Association

## *2009 Annual CCMA Conference*

Dear Members,

The time has come again to start the arduous, but satisfactory, journey of preparing for our next conference and I would like to start by welcoming you to friendly **Los Angeles County**. As your 2009 hosts we will do our best to provide all of you with the most informative and educational event of the year.

Here are some customary requests for all of you that will help us make of this another successful event:

- My intention is to present all the attendees with valuable information related to our trade while maintaining a balanced view between cadastral procedures and technology. That is why we will be including in our program **two moderated panel sessions** and I want to invite you to submit topics for discussion as well as for individual presentations.
- The following information is provided to assist you in scheduling and securing funds for your attendance to the conference.
- The scheduled dates for the conference are **October 15 and 16, 2009**
- In order to secure enough number of rooms at a favorable rate (*\$ 129.00 all taxes included*), I am inviting you at this time to let me know, at your earliest convenience and without making any commitment, how many of you plan to attend and how many rooms you will require. Your help on this matter will be greatly appreciated.
- Also note that we will maintain the registration fee at **\$ 140.00** per person. That fee includes: *Registration materials, two continental breakfasts, one lunch, and other amenities*. At regular intervals I will be providing you with additional information.
